

BLAEVAR FRA VINDSDALUR CANADIAN FEIF # 2011102407

Blaevar, born 2011, is one of our stunning Blaer sons and we basically had to pick a straw to decide which one to keep and which to sell. He is very well developed, self confident, friendly and easy to deal with. So far showing 4 gaits with amazing wide movements, speed and suspension.

He was presented in the 2012 Evaluation as a young horse and the judges gave him highest scores for gaits, expression, suppleness and beat, to name a few. With his great bloodlines, evaluated parents, his own talents and nice character, Blaevar will be an asset for any breeding program.

Blaevar will be serving mares at Vindsdalur this summer 2013.

Price: \$9,900 + HST (CAN)

His price will change with his age.
