

**DJASN FRA VINDSDALUR**  
**FEIF # CA 2008202247**

Djasn means 'precious' and that is what she has been for us from the start. She is a halfsister to Blaer fra Sand Meadow and just like him she got Stigandi's (sire) friendly, easy going character.

Now turning 4 years old, she is holding up all of our expectations! Started by Jelena, she is a happy, cooperative mare, showing light, wide movements with an almost 'self-trained' tolt. She has a perfect posture with lots of energy and great work attitude... we could not wish for a better mix!

We are hoping to be able to present her for breeding evaluation next year. She will be a promising addition to our breeding program - and an amazing replacement for her mom Uгла fra Stekkjardal.
