

HRIMA FRA SIGURDSSON'S ICELANDIC HORSES

Hrima is a Gaski fra Hofsstodum 920 grand-daughter with a fine, sensitive character, very well mannered and just enough attitude to make each ride fun. Besides all that, I just love her.

Hrima is the "doll" at our farm, her rather princess like attitude makes her stand out in the herd. She got fast, clear beat gaits, lots of willingness and endless energy. At the same time she tries to "read the riders mind" and is very easy to deal with.

Even though Hrima was injured for over 5 weeks she maintained her first prize conformation - and improved her scores in rideability at the recent 2009 International Breeding Evaluation in Vanderhoof, BC. Her good form under the rider with tons of expressions let her shine on the track.

Hrima had her first foal this spring, with sire Blaer fra Sand Meadow, Dukka fra Vindsdalur. This pretty 'doll' filly will turn grey in colour.
