

## MIDAS FRA VINDSDALUR - CA20111002403 -

Midas has an amazing pedigree on both his Dam and Sire side - but besides that he convinces with huge movements, great suspension and speed in all gaits and a friendly, cooperative character.

The Judges at the 2012 International Breeding evaluation in Vernon were full of praise for him and left some incredible remarks on his protocol.

Midas is a very promising young stallion prospect and we would like to give a serious breeder the chance to use his bloodlines and talents.

Price: \$9,500 (CAN\$)

Born June 2011.
