

## SNAEJA FRA ASI -[CAN]1978-

While her scores prove that she is a stunning beautiful horse, her riding scores don't reflect her talents as good as they are. Snaeja is a high willing tolting machine, with speed at your finger tips, now with a large stepping secure trot and a good round jumped gallop. She is not a 'everybody's darling' but well mannered and willing to please the rider.

We are hoping to get her speed and tolt abilities, together with her great conformation and some pinto colour in her offsprings!

In 2007, Snaeja had a mare foal, Von fra Vindsdalur, that is light sorrel with a blaze. Von is a real sweetheart, shows clear separated 5 gaits, very friendly and easy to deal with and also inherited Snaeja's beauty. The sire of Von is Leikur fra Vindsdalur. In the spring of 2011 Snaeja had another mare foal, Raudhetta fra Vindsdalur, meaning 'Little Red Riding Hood', which explains her name. She is a red/white pinto with a beautiful red head.

Born in 1996.

Snaeja is for SALE.
